

## 40519 ADULT HEAD POSITIONER PINK PAD TOP & BOTTOM

### Supine Cradle Headrest:

- Xodus Medical incorporated our patented Pink Pad material on top of our adult head rest to increase patient safety with superior skin protection and comfort for the patient.
- The bottom layer of Pink Pad material reduces sliding (Like The Pink Pad) and stabilizes the patients head throughout the procedure.
- Contoured design safely cradles the head minimizing movement during table manipulation.
- Perforated Inner section is removable for use in the prone position.
