The New Option for Patient Safety - Now Even Longer

Trendelenburg Positioning Kit XL

The Pink Pad®, the safe and effective product for Trendelenburg positioning, is now available in a longer version, The Pink Pad XL. The extra material provides a better fit for taller patients. It is available on its own or packaged with our One-Step™ Trendelenburg Arm Protectors to safeguard against pressure-related injuries of the arm and ulnar nerve and protect fingers during stirrup adjustments.
